## Mt. Horeb Church & Cemetery Pictures

This church is in need of help to continue the preservation of the building, monetary donations, and work assistance., After it was added to the National Register of Historic Places, funding was not available and a small number of people have had the care of the building and grounds. Please contact Norma Mueller at [nmueller@ktis.net](mailto:nmueller@ktis.net) for information and to offer your assistance. More information on picture page.

1.[New Providence Cemetery](#) -- This listing is extensively annotated with family relationships, and married women's maiden names and *some* men's given names are indexed when they seemed to point to other family surnames -- but NOT someone named George Washington Doe.

2. [New Providence Cemetery off site](#)

The New Providence Cemetery Association was formed in August of 1985 by by descendents of those buried in the cemetery. The purpose was to raise money for the clean up and fencing of the cemetery. The Association was also able to get a road to the cemetery. Many volunteer hours were spent cleaning, cutting brush and re-fencing.
