Old Van Booven Cemetery, Montgomery County, 2 memorials, This cemetery has only one occupant. It has been said other Van Boovens are buried on the Van Booven farm, but none within 100s of feet of this site. While searching for the fenced area, I was not sure the total area I should expect the fence to extend. Another site 250 east had two fences paralleling each other, 30 feet apart, and over 100 feet long. It looked promising, but contained absolutely no signs of cemetery plots. This is on the Wardens Branch area and the John Schluss Farm is south of this site. An old Log cabin located at the Schluss farm is an original homestead and is now being used as a barn. Once the this Cemetery or memorial gets sponsored, I will load more photographs of the log cabin.

Presbyterian Church Cemetery at Prices Branch, Prices Branch, 64 memorials, we visited this cemetery during December of 2011. It was overgrown but we were able to get in the gate and take photos of most of the graves. This cemetery is about a quarter of a mile down the road from the Prices Branch Cemetery at the Christian Church. The Presbyterian Church that went with the cemetery is long gone, only the cement steps are left. There is a tree growing in the middle of what used to be the main entrance to the property which tells you how long it has been since the church was there. We noticed when we visited during the summer of 2014 that someone was tending to the cemetery, at least they were mowing and had cleaned things up a lot.
