Meaning of the Initials, RSVP - During a lecture given by a Dr. Madison C. Peters, a brilliant and humorous lecturer of the day. He said, "I have no fault to find with society. Too often, though, being human, it has defects, and one of its defects today is a lack of fine manners, of intellectual elevation.

"Too often society is struck a telling blow by such an answer as an elderly country squire once made an inquisitive young man."

Here Dr. Peters turned to the blackboard behind him, and scrawled upon it four immense white letters - R S V P.

"They mean: Rush in, Shake hands, Victual up, and Put." (24Feb1905)
